Complaint 76/2015/JN

Dear Mr Fischer,

I am writing in reply to your correspondence of 11 February 2015 relating to the above complaint in which you maintain your views and suggest that the Ombudsman might be influenced by industrial lobbies or the Commission.

I would like to reassure you that the Ombudsman is entirely independent and impartial. Your complaint, as well as the previous related complaints (1296/2014/JN and 1752/2014/JN), were examined thoroughly and with full objectivity and impartiality.

Yours sincerely,

Emily O'Reilly
